| | | | | | |
| Stage 2 | | | | | |
| Refine Scope | | | | | |
| Aditional Research | | | | | |
| Implementation | | | | | |
| | | | | | |
| Stage3 | | | | | |
| Artefact development | | | | | |
| Artefact Report | | | | | |
| Viva Preperation | | | | | |

Stage 1

Stage 1 consists of background research and preperation for the rest of the project. This will conclude with the January Demo

Stage 2

Stage 2 uses feedback from the January Demo to refine the project idea and push on to create the key systems. This will end with roughly 1 month before the deadline
